Re: MUR 6011  
FEC v. Glasper, et al

To Whom It May Concern:

Our Firm has been retained to represent the interests of Mr. Darrell W. Glasper in the above-stated Matter Under Review. We have previously filed a Statement of Designation of Counsel, and I appreciate your office's deference in allowing us additional time in which to file a response to the charges.

Previously, your office asked me to confirm by today whether our Firm would be representing the interests of co-litigant, "Friends of Michael Jackson." I would note that the "entity" of "Friends of Michael Jackson" does not actually exist; ergo, we do not intend to file a response on behalf of such a non-existent entity. I believe the Complainant herein may have misunderstood certain statements as having originated from a corporate entity, when, in point of fact, my client's statements were made simply as a "friend of the former Democratic primary congressional candidate, Michael Jackson.

If you should have any questions with regard to the foregoing, please feel free to call my offices.

With kindest professional regards I remain,

Very Truly Yours.
